Community Participation

Lutheran Disability Services (LDS) offers a range of supports for you to connect with your community and participate in a range of exciting activities of your choice.

Community participation can include recreation, leisure and holiday activities such as:

- attending football matches or concerts
- participating in sporting activities, such as bowling or swimming at the local pool
- going out for lunch or coffee with a support worker, with the opportunity to enhance financial literacy
- attending church and other community activities
- attending weekend markets, the zoo or strawberry picking, to name just a few
- engaging in volunteering opportunities.

Our clients are front and centre of everything we do. We help you to achieve your life goals & participate in the community.

We develop a range of group activities for clients with NDIS Plans with core or capacity funding for social and community participation. Through community participation, you will develop life skills and participate in activities in your community.

At LDS, we ensure that we match clients with our skills to ensure that all clients can achieve their goals.

At Lutheran Disability Services (LDS), our clients are at the heart of all that we do. We believe in our clients, and we care about them.

Our support staff are passionate about helping them to achieve their goals, connect to their faith and build new friendships through positive engagement in a client-centred way. It is important to us to support our clients in achieving their goals towards their best quality of life.
